

## **General guidelines for allocation of Open Elective**

Post giving 5 preferences for Open Elective, allocation of same shall be carried out on the basis of allocation criteria as mentioned below. **The allocation shall NOT BE on first-come-first basis.**

<b>Allocation criteria</b>	<b>Description</b>
Option A: CGPA	An individual merit list for each Open Elective shall be generated for all the students. Corresponding to the number of seats in each OE, the top position holders in the merit list (who had opted for that course in their “Preference 1”) shall be allocated that OE.

### **Note:**

1. The allocation criteria for each Open Elective is CGPA.

***Note: The first merit list shall be generated for the students on the basis of their “Preference 1” only.***

In case, the student does not get his/her preference 1 in the first merit list, then, the focus shall shift to the preference 2, 3, 4 and 5 given by him/her in the subsequent merit lists. If for 2<sup>nd</sup> preference the no. of preferences submitted are less than the number of seats available, the student shall get his/her preference 2. If the no. of preferences exceeds the no. of available seats then the same allocation criteria as mentioned above shall be followed, higher CGPA holders shall be preferred for seat allocation\*.

This shall continue for preference 3, 4 and 5 as well.

***\*In case of students having same CGPA, the marks of last qualifying examination shall be considered for selection.***

2. In case, a student fails to meet the allocation criteria in any of the merit list, for any of the three preferences, then the Open Elective shall be allocated to him/her by default.
